Register and Pay by going to www.championshipchess.net and click Register/Tournament (<https://championshipchess.net/tournaments/tournamentregister/?id=-1>). Select "Monday Virtual All Star Open #22."

When registering, please enter "LiChess Screen Name" in place of First Name. This is an Open Tournament. **NOTE:** Since we often register Scholastic players, if you have completed High School, put your information in both Parent and Child areas. List your School as "Adult" and your grade as 99.

DON'T FORGET: Registering online at www.championshipchess.net does NOT get you into the Championship Chess Swiss All Stars, the "club" that you must join to play in our Tournaments. Go to Championship Chess Swiss All Stars (<https://lichess.org/team/championship-chess-all-stars>) to complete your registration Monday's tournament and be ready to play

These are meant to be fun events with only a few dollars in them to draw in some better players. 75% of entries are paid out to top players. In recent tournaments prizes were often just \$30, \$25, \$20 and many at \$15, covering entry fees.
