

# CHAMPIONSHIP CHESS AND TENNIS®

## INSTRUCTION AND CLUB

At Gwinnett County's Centerville Community Center and Norcross  
Community Center

### For Elementary and Middle School Students Ages 7 to 13

Chess is a learning tool for the development of the mind that happens to be a game. Chess is making a strong contribution to children's learning in schools across the country. Studies verify the academic benefits for children – improved math, reading and problem solving skills.
